

# NUFU project

## Small Scale Concentrating Solar Energy System

Develop and test small scale concentrating heat collectors with integrated heat storage

Participants

- Makerere University
- Eduardo Mondlane University
- Addis Ababa University
- Malawi University
- Sultan Qair University

Concentrated solar collector

Project concept: include heat storage  
Energy available after sunset

Celebrating 90 years  
of  
Makerere University:  
Leadership and  
Innovation

Speaker presenting at the event.

Hotel Africana Ltd.

Attendees seated at tables, listening to the presentation.
